TIPS FOR TRAVELERS

This short guide covers the tips how to make your stay in Vilnius comfortable

Vilnius Airport and Taxi

It is in just 6 km distance from Vilnius center – 10 - 20 min. drive depending on traffic.

The cheapest way to get the taxi is to call by phone and order it. We recommend using any of these numbers: + 370 5 240200, + 370 5 240300, + 370 5 444777, 1424. Your trip would cost approximately 4 -6 EUR.

The taxis waiting in a queue at the entrance of the airport are usually more expensive – 8-15 EUR (that's an alternative if you will not succeed to call the taxi by phone).
